## WINERY

### HERITAGE CLUB

*Tradition and Excellence*

**How will I know when my selections will be ready?**  
 You will receive an email once your orders have been processed, with notification that they have been shipped or are ready for you to pick up at the Winery.

**How long will you hold my order?**  
 We can not hold orders because we are a small, limited production Winery. Some wines may not be available at the time of your request. Wines not available will be replaced with the Winemaker's Selection.

**How long does my Club Membership last?**  
 There is no time limit for being a member, it *continues automatically every year*. As long as you honor your commitment of 12 bottles every year, you can enjoy the benefits of the Heritage Club, and your Club Membership will remain active.

Questions regarding your membership or purchases should be directed to the Heritage Club at (540) 668-6464 ext. 207, or [Linda@DoukenieWinery.com](mailto:Linda@DoukenieWinery.com).

Changes in delivery type or wine selections must be requested at least one month prior to the delivery month. Wine selection is dependent on wine availability. We are not able to ship wines to some states.

My signature above authorizes Doukénie Winery to charge my credit card in accordance with the delivery selection I have chosen. I agree to purchase a minimum of 12 bottles every year that I am a member, as specified on this form. Additional wines purchased will not eliminate or override this commitment. I understand that it is my responsibility to notify Doukénie Winery of any address changes before wines are shipped. Shipping and Wine charges are billed at the time of distribution. Membership may be cancelled thirty days prior to the next shipping month of member's selection to avoid additional charges. Deliveries must be signed by an Adult 21 years or older.

Be a part of our circle of friends and have Doukénie wine delivered to your door. As a club member you will continue to learn about wine, have the opportunity to schedule private wine tastings and attend *club member only* events. You will be the first to taste new releases and special small-lot wines that are not available to the public.

Heritage Club members have the option of selecting any of our wines to suit their preferences. Members will also receive newsletters with updates about the club and interesting wine facts from our winemaker.
